POSITIVE PARENTING FROM FINLAND

SPECIAL CHAPTER 4: QUITTING A HOBBY: WHAT TO DO AND HOW TO REACT

What to do when a child wants to quit a hobby?

In this chapter we answer three questions:

- (1) Will my child be left out of something crucial, if he is no longer part of this hobby or team?
- (2) If my child quits this hobby, will he do poorer at school or later at working life?
- (3) Am I a failure as a parent, if my child does not have an active and goal-oriented hobby?

Welcome onboard!
